My retirement on superannuation is only 2 (two) years due and I have an old ailing mother aged about 78 years who entirely depends on me. None except me is there at home to look after her. Now, all the responsibilities come upon shoulder. Hence, I may kindly be allowed to be posted at the CPF, Pallel within the short period of my retirement on humanitarian ground so that I can perform my official duty smoothly by extending my un-dispensable help to my mother.
