Information Sought (जानकारी मांगी) :

I want to get information regarding import of Cryptocurrency Mining hardware(Asic Miner, Bitcoin Miner) imported in country, Its just a powerful computer for fast calculation but still some custom department are not clearing the same and putting it under the restricted item list even though we can buy cryptocurrency freely in country and it is not illegal and we can easily mine cryptocurrency using simple computers as well. I want to know.

1 Is powerful Asic coumputer (Miner) in restricted item list of CBEC

2 if it is restricted than why simple computers like laptop,tabs not restricted as they can be used to mine Cryptocurrency as well

3 if it is not restricted than how to approach concerned custom department

4 How many Asic Miners have been seized by custom till now and under what policy

5 How many Aisc Miners have been cleared by Department in last year

6 what is the procedure to deal with restricted Items or does it depend on Concerned officer only

7 what is the duty structure of said Asic Miner

Thank you

I want to get information regarding import of Cryptocurrency Mining hardware(Asic Miner, Bitcoin Miner) imported in country. Its just a powerful computer for fast calculation but still some custom department are not clearing the same and putting it under the restricted item list even though we can buy cryptocurrency freely in country and it is not illegal and we can easily mine cryptocurrency using simple computers as well.
